

How to Order Stress Bears

Right Direction stress bears are available for ordering from Quality Logo Products. Please follow the bear ordering steps below.

1. Determine how many logos you want on the bear.

- Option 1: One logo – Right Direction logo only.
- Option 2: Two logos – Right Direction logo plus your company logo OR your EAP logo.
- Option 3: Three logos – Right Direction logo plus your company logo AND your EAP logo.
- NOTE: Options 2 and 3 are recommendations for other logos that could go on the bear.

2. Determine order quantity.

3. Download the Right Direction Logo

- Visit <http://www.rightdirectionforme.com/employersdownloads.html>
- Scroll down to the Logos, Templates and Technical Information section.
- Click Download > .EPS for the Stress Bear Imprint Logo option.

RightDirectionForMe.com

4. Secure Your Company Logo

- Secure your company logo and/or your EAP logo if printing more than one logo on the bear. Logos for the sides of the bear must be sized to 1.5" wide x 0.5" high. The logo for the top of the bear must be sized to 1" wide x 0.5" high.

5. Email Anthony Gaudio from Quality Logo Products to place order.

- anthony@qualitylogoproducts.com
- Please include your logos, imprint number and order quantity.
- Please specify that the Right Direction logo should be printed in PMS 7502.
- Specify you want to order item #Q1965.
